

Learn and enjoy at the same time with these My First Words series of books illustrating, 'Things that... Move, Swim, Fly and Make me happy. These bright and colourful books will engage your child to want to learn to read and relate the words to the beautiful and quirky illustrations. These books include everyday tasks, animals and items that children will be able to point out when they are out and about, linking the illustration to what they see everyday!

Written and illustrated by: Simon Abbott

Selling Points:

- A fun and bright way to teach young children first words and linking them to animals, transport and day to day activities.
- Vibrant and colourful illustrations to engage children.

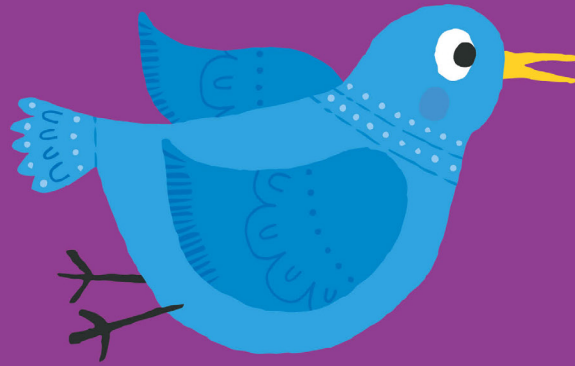

Specification:

180 x 180mm, 10 pages per book.
